A Message for Our Community

When I look back on this year, I am filled with gratitude for each of you. As a community of doers, we navigated challenge after challenge without skipping a beat. We never waited for our situation to get better; we made our situation better.

Our three guiding principles for lasting Jewish impact: **respond, restore, respect.**

The Federation has been — and will continue to be — the cornerstone of Jewish life in South Palm Beach County. As we strengthen our efforts to meet evolving needs, we will work alongside our partner agencies near and far, making a bigger and better impact.

I am incredibly thankful to be a part of this community, powered by people who are hungry for action and committed to Jewish continuity. Together, we will move the needle today and tomorrow.

About the Federation

Rooted in Jewish values, the **Jewish Federation of South Palm Beach County (JFSPBC)** seeks to foster and sustain a strong, compassionate and dynamic Jewish community today and for years to come.

With the help of our donors, supporters and partner agencies, we are equipped and empowered to provide for the Jewish people locally, in Israel and around the world.

WE UPHOLD the importance of strong Jewish communal leadership – from synagogues to agencies to organizations – to ensure every Jew from infancy to seniorhood has a chance to connect, to learn and to thrive safely and joyously.

WE BELIEVE caring for the vulnerable and marginalized is not just a nice thing to do – it is our obligation as Jews.

WE ARE ARDENT SUPPORTERS of the State of Israel, and are committed to the safety and security of every soul living within its borders.

Simply put, the Jewish Federation of South Palm Beach County and our partner agencies are committed to **HONORING** the Jewish past, **ENRICHING** the Jewish present and **NURTURING** the Jewish future.

RESPOND

Combating Anti-Semitism & Providing Security

We deserve to be unapologetically Jewish. To address rampant anti-semitism in Jewish communities around the world, we provide synagogues and agencies with up-to-date security measures. As a community organizer, we are fostering a culture of vigilance, ensuring every Jewish organization operates safely and securely.

100
hours of
emergency
preparedness
training for
1,500 people

completed at
our local Jewish
agencies, schools and
synagogues.

Within 48 hours of
Operation Guardian of
the Walls, we **supported**
Israelis with critical
funds and resources
through the Jewish
Agency for Israel's
Victims of Terror Fund.

To combat anti-
Semitism, the
World Organization
of Rehabilitation
Through Training
(ORT) **supports**
curricula on Jewish
history, tradition,
culture and the
Holocaust at 41
international schools.

Helping Ukrainian Jews

Ukrainian Jews should live in peace, not peril. As missiles have pounded their cities, wreaking physical and emotional havoc, we have strengthened our partner agencies on the ground.

We have worked around the clock to help our Jewish brothers and sisters find refuge and regain control of their lives. These emergency efforts are a vital part of our Federation mission. A vital part of who we are. A vital part of what we do.

Ukrainian refugees settling in South Palm Beach County are **receiving support** from Ruth & Norman Rales Jewish Family Services to address their immediate needs, including legal services, food and clothing.

18,000+

refugees from Ukraine and Russia made *aliyah* with the support of The Jewish Agency (JAFI).

As a child, **Margaryta Zatuchna fled her native Kharkiv, Ukraine to escape the Nazis**. This spring, as Russian forces barreled through her city, she was forced to leave home again. Our partner agencies **helped Margaryta, 82, journey from Ukraine to America**, where her younger brother lives.

RESTORE

Addressing Nutrition & Mental Health Needs

We are nourishing bodies and minds — every day. Food insecurity is a harsh reality for thousands, including senior citizens and young families living on society's margins. In addition, mental health struggles are compounded by stress, anxiety, depression and loneliness.

Fueled by generous donors and volunteers, our partner agencies work around the clock to deliver food packages, mental health services and emergency assistance, providing care for those who need it most.

8,400+
counseling sessions

were funded for 824 people
through our partnership with
Ruth & Norman Rales Jewish
Family Services.

Avital was once considered a lost cause. After years of acting out, she arrived at Bet Elazraki Children's Home for at-risk youth. Now, with support from community members like you, **Avital is learning to heal.** She **regularly attends therapy, builds relationships** with staff and spends time with friends.

1,000
Jewish families

in Argentina received humanitarian support
through our partner, American Jewish Joint
Distribution Committee (JDC).

Strengthening Jewish Life

We live our values through action. Federation partner agencies and synagogues are committed to preparing and supporting the next generation of Jewish changemakers through programming, scholarships and Israel trips. With a commitment to educational and cultural experiences, we are empowering and sustaining the Jewish future.

504 campers enjoyed **Jewish summer camp** at the Adolph & Rose Levis JCC.

“The Onward Israel program has provided us with not only great internships and international work experience, but memories and friendships that will last a lifetime. **Experiencing our homeland for the first time together has been so special to us** and the rest of our family!”

SIBLINGS AMBERLEY AND TYLER, ONWARD ISRAEL ALUMNI

900+
campers
and staff

from 20+ countries traveled to Szarvas, a **Jewish summer camp in Hungary** to learn about and embrace their Judaism.

RESPECT

Offering Compassion

Every single person deserves to be treated with respect and dignity, regardless of ability. Our partner agencies serve children and adults in our community with special needs through programming, vocational training and access to housing.

Through these initiatives, we create opportunity, promote inclusion and foster equity.

11 Israeli adults with disabilities
became **leaders and self-advocates** in their communities through Israel Elwyn's Self-Advocacy Program.

500,000+
people around the world

benefited from Beit Issie Shapiro's renowned, **cutting-edge disability technology.**

350
adults

with special needs received **vocational training** and developed life skills through JARC + Friendship Bakery.

Honoring Our Elders

The value of honoring our elders is an ever-pressing reminder to care for our most vulnerable seniors, including Holocaust survivors.

In Florida, Israel and 70 countries around the world, our partners deliver well-balanced meals, coordinate home-care visits and more. Together, we ensure no seniors fall through the cracks.

676
local seniors,

including 438
Holocaust
survivors
received **care
management
services** provided
by Ruth & Norman
Rales JFS.

"At my age there isn't really a reason to get up in the morning. **Yad LaKashish gives me that reason** — a reason to get out of bed, to put on nice clothes and to come to work."

MIRA R., YAD LAKASHISH PARTICIPANT

80,000+
vulnerable Jews were sustained

with **life-saving aid** through the American Jewish Joint Distribution Committee (JDC) in the Former Soviet Union.
